Accompanying this cover sheet is a two-page paper entitled "Interview Summary Record," which summarizes a telephone conversation between Applicants' undersigned representative and SPE John Calvert on March 9, 2006, during which Mr. Calvert explained that the finality of the outstanding Office action will be withdrawn, whereby Applicants' reply filed on December 14, 2005 will be regarded as precluding any additional requirement on Applicants to file an extension of time and either an RCE or Notice of Appeal to avoid abandonment (as would otherwise be the case under §1.116(c)).

Sir:

Today, March 14, 2006, is the final day of the inextendible six-month statutory period for reply to the final Office action mailed September 14, 2005. On December 14, 2005, Applicants filed a timely reply to the Office action, together with a Request for Withdrawal of Premature Final Rejection.

Applicants have not yet received a response to their December 14<sup>th</sup> reply, nor to their request that the final rejection be withdrawn.

The purpose of the instant paper is to make of record a telephone conversation between Applicants' undersigned representative and Supervisory Patent Examiner (SPE) John Calvert, of Art Unit 3765, on March 9, 2006.

U.S. Patent Application No. 10/634,780  
P24002.A11 (S 1077/US)

During the telephone conversation, Mr. Calvert confirmed that no action has yet been taken on either Applicants' reply or Applicants' request for withdrawal of finality.

However, Mr. Calvert explained that he had reviewed Applicants' request for withdrawal of finality and that he has instructed the Examiner, Examiner Hale, to withdraw the finality of the Office action of September 14, 2005. Accordingly, Mr. Calvert explained, Applicants' reply filed on December 14, 2005 will be treated as a reply to a non-final Office action and that no further action, such as the filing of a three-month extension of time and a Notice of Appeal or an RCE, are necessary for the purpose of maintaining the instant application pending. Mr. Calvert said that the instant application will not be regarded as abandoned for failure to take further action or pay any additional fee at this time.

Any comments or questions concerning this application can be directed to the undersigned at the telephone or fax number given below.

Respectfully submitted,  
Aur lie CHAIX et al.
